Subject: Re: Claim Review - Policy #H567891234

Dear Claims Adjuster,

I am writing regarding my insurance claim under Policy #H567891234 (Case ID: CASE_20250628_012613).

After reviewing the denial letter citing the following reasons:
Not specified

I believe this denial is incorrect for the following reasons:
• The policy language is ambiguous in this context
• Similar claims have been approved under comparable circumstances
• All required documentation was submitted timely

Based on my analysis and comparable cases, I believe a fair resolution would be in the range of \$1,250.00.

I request your response within 7 business days. Please contact me if you require any additional information.

Sincerely,
[Your Name]
